Snapshot of Judy Center Services

- Grant Funded program to provide comprehensive services to families and children ages birth-Kindergarten in order to promote school readiness
- Family engagement opportunities which promote academic and social/emotional development.
- Playgroups for children age birth-4 who are not in school yet
- Tuition assistance for children not in school programs to attend accredited child care programs based on funding
- Vision/hearing/and dental screenings and follow up with financial assistance
- Parent Workshops
- Mental health services for early childhood classrooms and individual behavior support
- Family referrals to community partnering agencies
- Home visiting program for children ages birth-4 to promote academic and social/emotional development.

Be on the LOOK OUT for...

Our Judy Center Welcome Folder contains important information about our services and our fall survey. Please send back the fall survey in the self addressed envelope if you have not filled it out electronically.

We are looking forward
to working with you!
